

# EASTERN SAN JOAQUIN GROUNDWATER AUTHORITY

## **Groundwater Sustainability Workgroup Outreach List as of May 25, 2018**

The Eastern San Joaquin Groundwater Authority seeks participants to serve on a Groundwater Sustainability Workgroup to gain knowledge and share comments during its GSP development. The GWA shared applications with the below organizations in an effort to establish a workgroup that represents the region's broad interests, perspectives and geography. The Groundwater Sustainability Workgroup will include members who represent one or more of the following interests: groundwater users, community/neighborhood, agricultural, environmental, flood management, Native American Tribes, disadvantaged communities, institutional and business. If your organization is interested, please complete and submit the Groundwater Sustainability Workgroup application.
